

Technical Intern

CrescoData is an exciting market leader in the Commerce space. Headquartered in Singapore, it delivers Commerce-in-the-Cloud services to enterprise customers across the globe.

This is a unique opportunity to work in an agile market-leading company in a fast growing sector and work with large global customers. At Cresco we work hard as an energetic tight-knit team, we are hustlers who pull together and have FUN! Come and join us on our journey.

Culture:

Culture is something that is really important to us at CrescoData. You'll be joining a friendly, inclusive team that values people, growth, development and fun! We regularly run weekly company initiatives like fitness bootcamps, team building days, monthly awards for going above and beyond and team events to reward hard work and a great attitude. Expect to join a unique market leading Singapore company with a global culture and mindset.

Responsibilities:

Working with the account management and development teams to test customer setups and create documentation outlining their use and features.

Technical Intern job duties:

- Working with the development team to understand new features
- Working with the account management team to setup customer projects
- Test the functionality of different customer setups
- Create documentation outlining the use of new features
- Create documentation outlining the details of customer projects and their setup on the CrescoData platform
- Reviewing of product feeds

Skills and Qualifications:

- MS Excel Wizard
- Interest in Technology,
- Understanding of Development Languages a Plus.

Personal Skills:

We're looking for dynamic enthusiastic people who want to learn and make a difference, leaders, who can think on their feet, who are not scared to use their initiative and suggest or try new things. We want people who thrive in a fast paced environment.

We're looking for dynamic enthusiastic people who want to learn and make a difference, leaders, who can think on their feet, who are not scared to use their initiative and suggest or try new things. We want people with a 'roll-up-the-sleeves' attitude who thrive in a fast paced environment

What we can offer you:

- A unique opportunity to work in a high growth start up at the start of its massive ramp up. Opportunity to grow with us!
- On the job training and personal development
- Mentorship and support from experienced, dedicated professionals to help guide your career
